SET UP INSTRUCTIONS

Open Case

a. Open case and remove all accessories to start building counter.

b. Locate 2 velcros on each side of the bottom of the case. Warp the black rim and connect each side onto the velcro.

Install Graphic

a. Remove the adhesive strips of the graphic side brackets. Align and place the graphic side brackets on each side edge of the graphic.

b. Wrap the graphic around the case by hooking the straps onto the top and bottom hooks at each end.

Install Table Top & Shelves

a. Unfold the curved top table. Locate the knob screws on top of the case and place it on top. Then tighten the knob to secure curved top.

b. Complete the counter by placing the shelves inside the case where the velcros are located on the side of the case.
